About Us

CombineCS was founded with one goal in mind – to provide Quality Education through Online platforms that helps you in making your career with experts. We provide education, guidance and career development opportunities to students and professionals. In the era of growing online education, we aim to provide students insights and experiences that cannot be self-taught. We believe that the hands-on approach of cultivating minds has greater value and offers deeper insights to the learner. Because every individual learns at their own pace, we aim to provide tailor-made courseware specific to each individual's goals and needs.

The aim of **CombineCS** is to provide best education and opportunities to students. We hope that you shall consider this undertaking and choose to do so, we pledge to offer our competent faculty and training resources to your institution.

Testimonials

Neha Shrikant Salunkhe

Rashmi Mam is very effective in her teaching. I learn Core Java, Data Structure & Algorithm, SQL Server from her. 100% doubts get resolved, she help me a lot in cracking my job interview. I got selected at CITIUS TECH, @mindspace Airoli, Mumbai. Thank you so much for your kind help, cooperation and support... ❤️

Sachin Kumar Agarwal

Qualified UGC NET in JUNE 2020, Selected in BIT MESRA for PhD in 2021, 4th position in merit list out of 20 selected students, total 65 appeared in the interview. She has personally assisted me which boost up my preparation level. Thank you so much Mam!

Garvita Saxena

Rashmi Mam is very effective in her teaching. She provides a great environment to learn. She was always willing to help answer any question that I had and did so in ways that it became very easy to understand. Thank You Mam for all the support and guidance !.
